### **Division 54: Sustainability and Mobility Department**

*(“Sustainability Department” added 10-26-2018 by O-21004 N.S.; effective 11-25-2018.)  
(Retitled from “Sustainability Department” to “Sustainability and Mobility Department”  
on 1-27-2022 by O-21406 N.S; effective 2-26-2022.)*

#### **§ 22.5401 Sustainability and Mobility Department**

- (a) The Sustainability and Mobility Department is a City department. The department is responsible for implementing the City’s Climate Action Plan and for overseeing the City’s energy use, sustainability, and mobility programs.
- (b) The Director is the administrative head of the department and is appointed by, and may be removed by, the City Manager. The Director is the appointing authority of all personnel authorized in the department.
- (c) The Sustainability and Mobility Department, under the direction of the City Manager, with policy direction from the City Council, is responsible for performing those duties and functions assigned and directed by the City Manager, including performing administrative functions related to energy, sustainability and mobility programs, and facilitating innovative efforts across multiple City departments to enhance economic, social, and environmental sustainability.
