Judicial and Administrative Remedies**

**Division 11: Mediation**  
(“*Mediation*” added 8-10-1993 by O-17956 N.S.)

**§12.1101 Declaration of Purpose**

The Council finds there is a need for mediation and other forms of dispute resolution as a means to gain compliance with provisions of the San Diego Municipal Code and applicable federal and state codes. The Council further declares that public policy facilitation can be an effective technique to avoid disputes by developing consensus amongst stakeholders on controversial issues. Both mediation and facilitation can often resolve disputes in a more efficient and effective manner without the necessity of more formal administrative action or litigation. The Council further finds that mediation and facilitation can foster better relations among and with the citizenry of San Diego and enhance the reputation of the City.
